

To whom it may concern

This is to certify that Gaby Westphal has been working for Multitaal/ as an English-German freelance translator and proofreader since 2004. We've always been very satisfied with the quality of her work. In her translations, she knows how to put linguistic and cultural ideas into words, and as a proofreader she has shown her great accuracy and precision. She is very prompt in responding to our e-mails, always meets the agreed deadline and is just a pleasure to work with. For these reasons, we are happy to continue to work with her in the future and would recommend her services to anyone.

Best regards,

Astrid Mulder
